Description

Fine un-touched original condition early Victorian mahogany Corinthian column bedside cabinet. This is one of the nicest of these I have seen for some time, usually they are not in very good condition but this example is superb. Just take a look at the quality of the veneers on the plinth. The door opens with a hidden catch underneath the top. The top ring is perfect and free from splits, the white marble is also perfect and clean with no stains. Original finish, colour and patination, has just had a wax. SIZE; 15" diameter by 29 1/2" high CIRCA; 1850
