Description

A fine example of an antique solid sterling silver Cigarette Box with a wood lined interior. It is a good quality piece with an engraved crest on the top. It is hallmarked for London, 1907 although the maker's mark has been obscured. It is in good condition for its age although it has picked up some small knocks, dinks and minor surface marks. There are a couple of small dents on the front but no major damages and it displays beautifully. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £7, rest of the world £25
