Description

A nice, very large old pine dresser base dating from the 1920s with three drawers over three cupboards. The drawers have very nice metal drop handles and the central drawer has the added benefit of a central divider inside. Below the drawers are three cupboard doors with external French style hinges so the doors open fully wide. The central and right hand cupboard have a single shelf inside and we could add a shelf to the left hand cupboard if you would like us to do so for you. All three locks and keys are fully working and this dresser base sits on bun feet to the front and block feet to the rear. Can be purchased in the bare wood for £500 or wax polished for £557. Height 39.5", Width 71", Depth 26.5"
