Description

A fine Regency period rosewood book carrier in the manner of Gillows of Lancaster; the two compartments divided by slender turned spindles and scrolled supports and handles. The base fitted with mahogany-lined drawer and edged with split-turned beaded mouldings. John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where – in normal times - we hold an Open Weekend every November.
