Description

A lovely small pine side table dating from the late 19th / early 20th Century. It stands on turned tapering legs and has a drawer with turned wooden knobs. The pine has a lovely warm colour and a smooth waxed finish. It is in good condition and is strong and sturdy. There are general signs of age and use, some surface marks and stains, a small repaired split near the back and small knocks around the legs but nothing detrimental. The knobs are not original but suit the piece well. The table has been cleaned and given a light wax and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
