Description

A superb matched set of Fruitwood Spindleback Chairs, two carvers and six side chairs....., known as "Liverpool Ears", because of the shaped ears on the top rail of each chair, which is a very attractive feature....all the chairs have a superb colour and have been re-rushed to a very high standard....a really excellent set which a few years ago would have cost three times the price today..! English. C1780-90.
