Description

A lovely pair of Dutch oil on panel framed paintings by Jan Evert Morel, (1777-1808), both signed lower left and late 18th Century in date. The paintings delightfully present charming forest scenes with figures in period costumes. The artist used very vibrant colours to add some mystery to the scenery and contrast the vivid greens of the forest. Condition: In excellent condition the paintings and frames having been beautifully cleaned in our workshops, please see photos for confirmation.
