Description

An unusual antique oak cupboard with two carved panel doors opening to reveal a generous storage space. The top has a moulded edge with a pull-out leaf to either side. Raised on square legs with an under-tier shelf to the base. Appears to have been converted from an old antique coffer chest. Complete with working lock and key. Item Ref; M-2381 . DIMENSIONS: Height – 79cm / Width – 125cm / Depth – 55cm . CONDITION REPORT: In good antique condition throughout with some signs of age and wear. There is surface wear in places including some age-related marks to the top (pictured). Some staining to the under-tier shelf. Structurally solid and sound. Evidence of old historic woodworm in places – this is long gone and has been fully treated as a precaution.
