Description

This spectacular Heriz carpet has it all. Beautiful colours derived from organic natural dyes, and soft hand spun wool. The classic medallion design is drawn with great drama and elegance. Note the wide main border with its design of stylised rosettes, palmettes and meandering vines. It is a great size for many different types of decorative spaces, and would work equally well in traditional and contemporary settings. The carpet has been cherished through the generations and has survived in very good condition with good pile and minimal wear. Professionally cleaned and ready for immediate use.
