Rene Lalique Opalescent Ondines Refermee Glass Bowl

Price

Sold**Item Reference: SA804777****Date of manufacture: 1920**

Dimensions

Width = 20 cm (7.9")

Description

R Lalique opalescent ondines bowl. This is the refermee version which has a more rounded and closed rim. This is as good an example as you are likely to find. Introduced in 1921. Marcilhac page ref: 292. Wheel Cut mark - R Lalique France. The condition is very good, the opalescence is nice and strong, there is no damage or faults, just a few age related very light surface scratches, nothing detrimental.

Internal Ref: 2024
