Description

A small, but fairly deep, old pine wardrobe that has been spray painted, an off white shade, at some point. It totally dismantles for delivery and access. The doors have a fully working lock with key and inside it is currently configured with a central partition, with one shelf across the top, and shelves on the right hand side. The left hand side could be fitted with a small hanging rail if you wish to keep it to this configuration. Or perhaps we could remove all the internal shelving and partition, and fix a new brass hanging rail. Please let us know what you require. A perfect addition for smaller rooms, or a child's bedroom. Can be purchased as is for £450 or we can provide a quote to have it repainted for you. Height 72.5", Width 44.5", Depth 23.5", Internal Depth 19"

Internal Ref: K1000C
