Description

A double antique pine cottage wardrobe, which dismantles for delivery and access. These low wardrobes were made for low ceilinged homes, such as cottages. It dates from around c.1910, and is in good solid condition. It has recently been stripped of its original paint, to the bare wood. It is now ready for waxing or painting. The double panelled doors are hung on French style external hinges, meaning they will open fully - always very useful when accessing the inside. The original lock and key are in good working order. It is stood on bun feet to the front, and block feet at the back. There is a nice cornice to the top. The fitting of a new brass hanging rail is included in the price. Can be purchased in the bare wood for £800 or wax polished for £897. Height 70", Width 54.5", Depth 23.5", Internal Depth 19.5"
