Description

A lovely example of a John Prior of Uxbridge low back Windsor Chair. . The chair with an elm saddle seat and yew back rail with three beautifully shaped and elegantly pierced solid yew wood splats, each centred with a hand carved roundel. All raised on four ring turned legs co-joining the yew crinoline stretcher. The chair solid and robust with no weak or loose joints and no repairs. All with a superior colour and deep natural patina and in very good original condition throughout with only minor knocks and small losses, there are a couple of very old fine and stable cracks - not going anywhere and consistent with age and careful use. . A beautiful early yew wood windsor chair, usable and solid, with a fabulous natural colour and patina. . Strongly recommended. . . Dimensions are: . 34.25 inches high, 16 inches deep, 17 inches wide at seat. . From seat to top of back is 18 inches, from floor to top of seat is 16.5 inches, seat depth (front to back) is 13.5 inches. . For metric please multiply by 2.5
