Description

An Oak cased Tantalus with brass fittings by BETJEMANN OF LONDON. Patented locking mechanism carrying their name with a classic Bramah working lock and key. c.1880. The two cut glass decanters are later replacements. ***Please note that this item is NOT on view at the Honiton address. Please ring Russell on 07970 787218 for further information.*** Additional photographs and information available on request. FaceTime facility available. Please be aware that the item is old and antique and study any photographs to satisfy yourself as to its condition as much as possible. While we take all efforts to provide something that is fit for the use intended there may be various condition issues that are commensurate with age and considered part of its history, and are very subjective. However, you have legal rights and Consumer Contract Regulations (2014) still apply for "Distance Selling" if this is not a "face-to-face" purchase. The advertised price includes packing and postage within mainland U.K. with Royal Mail's 2nd Class Service. Special Delivery Tracked and Signed for Service can be requested. Money back guarantee if you are not satisfied. Monies will be refunded on...
