Description

Early 18th Century Queen Anne Walnut Chest On Stand of absolutely superb colour and patina with matched walnut veneers and fine feather banding. In very good original condition with the original chased brass handles, remarkably having the original gilding still mostly intact. The canted fluted corners are in cross grain Walnut as are the mouldings. The drawer linings are made in Oak and are in good clean original condition. The applied cock bead to the edge of the shaped apron although worn is original. The shaped cabriole legs with slipper foot are replaced in perfect keeping with the design of the period.
