Description

1920s Limit pocket watch. The watch has a Swiss stem-winding movement, with 7 jewels, which is working well. The movement was made by G Thommen for Limit. The movement is protected by an inner hinged dust cover with a light surface scratch from use. The watch measures 50.6mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. The case has light surface marks but overall it is in nice condition for a 1920s piece. The acrylic lens is in nice condition. The white enamel dial is signed Limit and is in nice condition original gold hands and blued steel sub seconds hand. The watch will come in a new presentation box.
