### Dimensions

Height = 2 cm (0.8")

Width = 49 cm (19.3")

Depth = 49 cm (19.3")

## Description

A 16 sided round tray made up of segments of oak divided by a boxwood line and with a moulded edge around a central feature of a sunburst of walnut and satinwood. Reverse side "Willm Corley" inlaid with bottles, flagon and teapot. Lovely patination and good condition. Dated (17)82 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where - in normal times - we hold an Open Weekend every November.
