Description

A well-presented antique 19th century mahogany tilt top tripod table. The circular shaped tilt top is raised on a turned pillar with a tripod base. The top has a wonderful rich colour. A particularly lovely example of an antique mahogany tripod table. Item Ref; M-2384 . DIMENSIONS: Height – 73cm / Width – 72cm / Depth – 73cm / Upright Height – 115.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including some age-related marks to the top (pictured). A minor shrinkage split near the edge. Some evidence of old historic wood worm to the base – this is long gone and has been fully treated as a precaution. Structurally solid and sound. Some slight movement when the top is down but overall, good. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item.
