Description

A stunning, very large and very impressive triptych mirror in the antique French rococo style. This is made from solid brass, it dates from around the 1930-50's. The quality is absolutely superb, this has been cast with the most incredible detail. It is made from three separate frames which are held together by additional brass fixtures, which are also intricately detailed. It can be broken down into three pieces for transport, and even hung as three separate mirrors. The condition is excellent for its age, with hardly any wear to be seen. Width – 52 inches , 133 cm Depth – 3 inches , 7 cm Height – 49 cm , 125 cm
