Description

A very useful little small mahogany sofa/pembroke table. This table is narrow from front to back making it ideal for small or narrow spaces or a hall. The flaps can be raised as needed, for instance beside a sofa a flap could be raised to support a tray etc. The drawer has the original brass swan neck handle. The back of the table is identical to the front with a faux drawer. The last photo is of the back of the table. A good quality and useful piece. The dimensions below are with the flaps down. With both flaps raised the dimensions are: 71cm high 42cm deep (front to back) 101 cm wide
