Description

Original 1930's French Art Deco wall mirror with geometric and floral motif details. Lovely shape and design and typical colourway for these mirrors. The Mirror itself is in great condition and free from loss / clouding. Still retains it's original backing, hanging string and tassels. We photographed this piece in natural daylight to give the best representation of colour and condition. The frame has modest wear with signs of some patina, nothing distracting and we feel actually adds to it's charm. Perfect for modern and period settings, hallways, bathrooms , mantle areas etc. FREE UK mainland delivery.
