Description

An excellent and versatile pair of antique mahogany side tables. These were made in England & I would date from around the 1900-1920's period. The quality is excellent, these are beautifully designed and well proportioned. They are nicely finished on all sides, so can be used in the centre of a room as side tables, or against a wall as bedside tables. The mahogany has a gorgeous patina, lovely colour tone and striking grain patterns. We have recently had these re-polished, the condition is excellent for their age. Width – 18 inches , 46 cm Depth – 17 inches , 43 cm Height – 27 inches , 68 cm
