Description

A 19th Century button back occasional chair for recovering, the spoon shaped back over a sprung seat and raised on shaped front supports with scroll feet and brass and porcelain castors. In good order. The chair has been re-upholstered, covered in calico and awaits new top covers which I am happy to arrange with my upholsterer - please contact me for further details. One front castor is a replacement and is a different colour - I can arrange to have this replaced. Seat height 39cm.
