Description

A wonderful hefty inkwell with a very simple but stylish design and would fit in with any type of decor from period to contemporary. The underside is deeply cut in the ever-popular hobnail design. The quality is really outstanding, not only is the domed hinged lid and collar sterling, the silver covers the entire top of the glass inkwell. The interior retains it's original large glass removable ink chamber for easy refilling and cleaning (a few nibbles to the liner rim, mentioned purely for accuracy) The silver is clearly hallmarked for Birmingham 1905, a good Edwardian example. One for the discerning in excellent condition, measuring 2 1/2" x 2 1/2" x 3" tall. Item ID: 32319
