Dimensions

Height = 89 cm (35.0")

Width = 53 cm (20.9")

Depth = 66 cm (26.0")

Description

This is a well made and nicely designed early 20th century Windsor chair. The comb back design is a personal favourite of mine and with the tall shaped legs it really would sit well in any space. Good size so useable as a desk or dining chair. Perfect condition with a nice patina beginning to show. The back has a stamp which I believe is who the chair was made for. Height 89cm Width 53cm Depth 66cm Depth of seat 37cm Height of seat 45cm Price includes UK mainland delivery
