Description

This is a very unusual designed Windsor chair. It dates to the early 19th century and overall in very good condition with minor movement in the back consistent with age and use. Perfect useable and sturdy. Its design is very characterful and has a folk art charm about it. Good shaped seat and wide legs with stretchered support. Perfect useable as a desk or dining chair if you would like but even just in the corner of a room it would look perfect.
