Description

These are a classic French design that really does work well anywhere. Either in the centre of a room for everyday use or corners of bedrooms for occasional seating. You can get creative with fabric choice as well if you wish as the design is ageless and doesn't take anything away from the material. Measurements Height 82cm Width 71cm Depth 80cm Depth of seat 48cm Height of seat 40cm (On my website) If you would like these chairs upholstered please click yes in the upholstery drop down menu. These would require 8 metres of material (4m per chair). You can supply your own or please browse our collections under the material section. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
