Description

A stunning and unusual antique Victorian dining / centre table in solid walnut, with ebonised features. This was made in England around the 1860-80's period. This would be perfect for use as a dining / breakfast table or even a centre table in a reception area. The design is absolutely gorgeous with a beautifully designed base that really gives this a stylish and elegant look. The walnut top has a inlaid ebony wood border. We have recently had this re-polished, it is in excellent condition for its age. This table will very comfortably seat four in-between the legs & possible 6, because the legs are set well inside the top. Width – 43 inches , 110 cm Depth – 43 inches , 110 cm Height – 29 inches , 74 cm
