Description

We are always on the lookout for really superb quality meat or food covers like this magnificent example, but we only come across them very rarely. The decoration is a combination of raised repousse work and intricate floral and foliate engraving. The handle to the top is very ornate with the handle being almost heart shaped. There is a large cartouche to both front and back engraved with a very regal looking armorial crest in the form of a Griffin. A wonderful and imposing piece in excellent condition (minor plate loss to small high spots, insignificant but mentioned for accuracy), measuring 14 1/2" x 10 1/2" x 10" tall.
