Description

RARE William 3rd dated 17th century Sterling silver Trefid spoon with rat tail bowl. This terrific early spoon is dated 1690 and has the makers mark of DA stamped four times on the back. No town mark unfortunately. I haven't been able to find out anything about the makers mark as to who it is but it is almost definitely English. The spoon is in very good condition for its age. SIZE; 7" long CIRCA; DATED 1690
