Description

A lovely antique mahogany side table on tapering turned legs dating from the early 19th Century. Nice small proportions with a beautiful rich patina and a single drawer with brass plate handle. Perfect as a side table or a small writing desk. It is in very good condition for its age. The drawer opens well and is generally clean and tidy inside. The handle is not original but suits the piece well. There are some minor signs of age and use, some marks and light knocks around the legs and a few minor marks and a small chip on the top but nothing detrimental. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
