Price

**Sold****Item Reference: SA809732****Date of manufacture: 1890**

Dimensions

Height = 10.7 cm (4.2")

## Description

A rare nice quality solid sterling silver spoon. It is hallmarked for Birmingham 1898 with the maker's marks being double struck. It has been well designed having its bowl decorated with an image of HMS Victory. It is in perfect condition being free from dings splits distortions and repairs. It measures over 4.25 inches (10.7cms) long and weighs 10 grams. A good quality rare example.

Internal Ref: 24465
