Description

Pie crust designs are still my personal favourite. They have an elegance and style that really works well in a number of interiors. They look amazing once upholstered and these particular pair are a great size as well. Ideal for lounging in daily or they would work well just sitting in a corner of a room. Measurements Height 92cm Width 81cm Depth 85cm Depth of seat 55cm Height of seat 42cm (On my website) If you would like these chairs upholstered please click yes in the upholstery drop down menu. These would require 10 metres of material (5m per chair). You can supply your own or please browse our collections under the material section. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
