Description

These are a very elegant pair of French armchairs with a good quality carved frame. The frame is carved on all sides meaning these will work very well in the centre of a room. The cushion pad makes these extremely comfy and with their low stance they are great for lounging in. I actually have 4 of these but this listing is just for 2. Should you want all 4 please message me. Measurements Height 87cm Width 78cm Depth 90cm Depth of seat 60cm Height of seat 48cm (On my website) If you would like these chairs upholstered please click yes in the upholstery drop down menu. These would require 10 metres of material (5m per chair). You can supply your own or please browse our collections under the material section. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
