Date of manufacture: 1920

Dimensions

Height = 20 cm (7.9")

Width = 64 cm (25.2")

Depth = 64 cm (25.2")

Description

I have managed to get hold of a small collection of these stunning Spanish dairy bowls. They are all stunning yellow and green glazed in overall very good condition with a couple only having a few small chips. These would have been used when baking bread in olive oil. The small holes you can see in some of them would have been where they hung on the walls of a kitchen. These would now make superb fruit bowls or just a decorative piece on a table. This example is- Height 20cm Diameter 64cm Price includes UK mainland delivery
