Description

A beautiful Edwardian oak tabletop stationery cabinet with a lovely warm patina. It has a sloped front with brass escutcheon and brass inlaid cartouche. The front slope opens to reveal a fitted interior with letter rack, pen tray and one small ink bottle. The box also comes with a working key. It is in good condition for its age and displays well. There is a small chip in the rear corner and other minor signs of use with some age related stains and splits but nothing detrimental. There are also a few chips on the glass ink bottle. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £15.
