Description

A beautiful solid silver Indian triple cigar case. It is unmarked but tests as high grade silver. I would date it to c1890. It has been beautifully hand made being decorated with scrolls and a vacant cartouche. It is in superb condition being free from dings splits holes and repairs, it needs elastic straps. It measures approx. 4 inches (10.2cms) long by 2.25 inches (5.6cms) wide by 1 inch (2.4cms) thick and weighs 120 grams. A superbly designed high quality example.
