Description

An Art Deco uplighter. In chrome with a stepped base formed from circles and to the base of the pedestal, chrome rods of differing heights. The shade in three tiers of differing sizes, allowing light between each tier. A frosted glass panel to the top. In very good condition and just rewired. Some age related wear to the shade, but does not detract from the overall appearance. Please note this is an unusual mid height uplighter. Would therefore work well as a reading lamp by an armchair for example Height: 134cm Top diameter: 32.3cm Base diameter: 26cm
