Description

A stunning & very stylish pair of antique Swedish armchairs in satin birch. These were recently imported from Sweden, they date from around the 1900-1910 period. They are very well made, with a solid build and they are also very comfortable. The frames are fully sprung, have arched backs and tapered convex arms with decoration on the front. The satin birch frames have gorgeous grain patterns, and these chairs sit on sabre legs. We have had these recently re-polished and re-upholstered in our cream cotton fabric. The condition is superb for their age. Width – 31 inches , 79 cm Depth – 27 inches , 69 cm Height – 34 inches , 87 cm Seat height – 16 inches , 41 cm
