Description

Royal House Antiques is delighted to offer for sale this stunning exceptionally rare and original Howard & Son's circa 1910-1920 Portarlington three seat large sofa with duvet padded arms and feather and fibre filled cushions. Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote please send me your postcode and I'll provide you with the exact price. I have a large collection of very fine restored and original unrestored Howard & Son's seating listed under my other items. This is simply put the most comfortable sofa in the world, the arms back and base are all feather and fibre filled, you sink when seated in a similar manner to a very plump feather filled duvet, the fibre core allows the piece to retain its shape better than feathers alone and has been used by Howard for decades. The genuinely is the most comfortable sofa I have ever sat on and I have had thousands and thousands, this is the Tiger Woods, Michael Jordan, Sofia Vergara, Salma Hayek, James Dead, Ford GT40 of sofas, in other words the greatest of all time, never to be bettered!
