Description

A very interesting American solid sterling silver rotary phone dialer. It is hallmarked Tiffany and Co STERLING and dates to c1950-1960. It has been superbly made to be used by a lady wearing long gloves thus preventing them from being dirtied or from having to take them off - a piece epitomising its era, (I have only seen solid silver examples by Harrods and Tiffany). It is in superb condition being free from dings splits and repairs. It measures a touch under 3 inches (7.3cms) long and weighs 24 grams. A super quality interesting piece. Weights and measurements are approximate. Free UK shipping. Worldwide international shipping £15 flat rate (we will combine shipping costs). All items will be sent tracked.
