Width = 1.7 cm (0.7")

Description

A stunning rare Chinese solid silver silt bracelet. It is hallmarked MADE IN CHINA SILVER and tests as such, I would date it to the esarly 20th century c1920s-1940's. It has been beautifully made from silver gilt filigree decorated with enamelled and jade flowers. It is in superb condition being free from dings splits distortions and repairs. The enamel and jade is complete and free from chips cracks and repairs. The catch works perfectly (press gently and pus forward). It measures approx. 9 inches (23cms) external and 6.5 inches (17cms) internal by 0.75 inch (1.7cms) tall and weighs 34 grams. A top quality example.

Internal Ref: 24052
