Description

A lovely antique elm table dating from the late 19th century. It originates from France and has a planked top and stands on square tapering legs with a small drawer at one end. The table is a good size and comfortably seats 4-6 people. The ends of the legs have been tipped to give a comfortable leg clearance of 24" (61cm) all around. The table is in good condition for its age and has a lovely patina and nice warm colour. There are signs of age and use, some marks and minor old shrinkage splits on the top but nothing detrimental and it is a solid and sturdy table. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
