Description

Original Antique "J. CARTWRIGHT & SON" Fully Restored Luxury safe. A rare Jacob Cartwright safe in a stunning fully restored working condition. We bring to you this very rare excellent condition "J Cartwright" Patent steel safe made in West Bromwich by the maker Jacob Cartwright of Roebuck Street, West Bromwich in around C1886. This fantastic quality and very secure safe is truly a museum piece and has had no expense spared in its restoration. This safe is truly a one off bespoke item and has had many hours spent on its full refurbishment process. To the buyer pictures throughout its thorough restoration are available upon request. This lovely safe features original specification paintwork featuring 2 tone paintwork to exactly match the original colours and design. The safe is finished in predominantly burgundy with a black door frame, dovetailed strengthening braces and centre door artwork. The paintwork is single stage paint (not lacquered) exactly as it would have been originally. The safe is complemented by the ornate traditionally hand-painted red coach lines which elegantly frames the door hinges and strengthening braces. This safe has been fully restor...
