Description

A beautiful and very useful burr walnut bookcase in the antique Georgian style, made in England & dating from around the 1930's period. The top section has two shelves behind astral-glazed doors & the bottom section is a little deeper, with loads of extra storage. The top is also polished & the base sits on bracket feet. The quality is excellent, and this is of lovely proportions. The burr walnut grain patterns are stunning throughout and this has a gorgeous colour. The shelves are removable, and this can be dismantled into two pieces for ease of transport. We have recently had this re-polished, it is in excellent condition for its age. Width – 33 inches , 83 cm Depth – 16 inches , 41 cm Height – 61 inches , 154 cm
