Description

A Lovely Edwardian Walnut Gallery Base Table. Please note, items placed on or around this item are not included in sale, sale is for the table only. A charming table. We bring to you this outstanding Edwardian gallery base table believed to be made between C1900. This great table is in a lovely original condition which we have just enhanced by sympathetically waxing this table preserving the lovely lightly faded original colour with lots of patina and charm. This table stands on typical Edwardian reeded and shaped legs complete with shaped stretcher rails to support the underside gallery shelf with turned corner finials. There is no movement or play in any of the joints and the solid walnut top is flat with no bowing or twisting. Please note this item is in beautiful condition for its age as shown in the photographs below however being an antique item it does have the odd bump and repair here and there. However, we feel that these points are which adds charm and character to a piece. Dimensions Height: 790mm Width: 680mm Depth: 405mm
