Description

Size: 5ft 11in x 4ft 9in (180 x 145cm) Antique Turkish 'Siirt' Blanket (battaniye). Very rare white ground Angora Mohair blanket. Circa 1910. These blankets are made in the town of Siirt, in Turkey. They are a local tradition, woven on simple looms using Mohair wool from the local Angora goats. After weaving the face of the blanket is brushed with a steel comb to produce a very soft long pile. These blankets make ideal throws for covering furniture or beds, they also make ideal hangings with their bold graphic design. A superb old example with a very interesting medallion design. Excellent condition. Hand washed and ready for use or display. Stock Number: R-253

Internal Ref: R-253
