Description

A very interesting rare English Victorian solid sterling silver vesta case. It is hallmarked for Birmingham 1900 with the makers mark being B&S. It has been superbly designed having a push button mechanism and an enamel flag to its front - it has also been engraved Elsie 1900, I suspect this may be the name of a steam ship or yacht. It is in superb condition being free from dings splits and repairs, the enamel is free from chips cracks and repairs, the mechanism works well. It measures almost 2 inches (5cms) tall by over 1.25 inches (3.5cms) wide and weighs 38 grams. A very high quality rare example. Weights and measurements are approximate. Free UK tracked shipping. Worldwide international tracked shipping £15 flat rate (we will combined shipping costs). All items will be sent tracked. We aim to dispatched within one working day. 30-day money back guarantee.
