Description

This is a very stylish early Victorian English country house sofa. The design is a little unusual and I would even say quite contemporary with a deep seat and low back. Ideal for both relaxing and entertaining in. The sofa stands on four turned walnut legs and has the original Bakelite casters. Great quality frame and once upholstered it would be a fabulous comfortable sofa. This would require 10 metres of material. You can supply your own or please browse our collections under the material section. All my armchairs and sofas have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
