Description

A wonderful Indian solid silver cigarette case. It is unmarked but tests as sterling silver. I would date it to c1900. It has been beautifully made having finely embossed with leaves and flowers and has been internally gilded. It is in super condition being free from splits holes repairs. It is a decent size measuring approx. 3.5 inches (8.8cms) by over 3 inches (8cms) and weighs 108 grams. A beautifully designed piece.

Internal Ref: 21946
